2003	2002	2001

Organization	Grant Award	Grant Purpose
Abington Area Community Classroom	\$ 25,000.00	Hillside Park Improvements and Updates that will provide a safer and more userfriendly experience.
Black Scranton Project	\$ 39,000.00	This grant will be used to achieve our goal being a resource to the community through year-round programs, events, historical archives, social media, educational support, and in-person interaction with Scranton area residents.
Broadway Theatre League of Scranton	\$ 20,000.00	This is an arts integration program for underprivileged children who attend regional Head Start centers in northeastern PA.
City of Scranton	\$ 50,000.00	The Project involves the evaluation of the Tax Policy, Billing and Collection Process for Scranton. Goals of increasing collection rates, strengthening internal controls, eliminating waste and provide tax relief for Scranton residents and enhance the City's economic growth/development prospects.
Countryside Conservancy	\$ 37,085.00	This grant is to be used as match against \$296,900 of secured funding to complete the acquisition and permanent protection of 65 acres of open land adjacent to Lackawanna State Park in North Abington Township, PA.
Outreach Center for Community Resources FKA Employment Opportunity & Training Center of Northeast Pennsylvania	\$ 30,000.00	Funding will be used to support the reentry workforce development supplies, center equipment usage, and services provided to program participants. Grant funding will be used for the workforce and educational services provided to participants by program managers and case managers.
Family Service Association of Northeastern Pennsylvania	\$ 15,000.00	This grant will be used for covering the cost of 3,278 calls in FY2021 and will greatly aid in offsetting the funding burden necessary to support the unbudgeted and unfunded COVID-19 calls in Lackawanna County.
Hospice of the Sacred Heart	\$ 15,000.00	Costs associated with starting a new virtual workshop including materials, videography, contractor fees, printing and offset of staff salaries
Lackawanna County Library	\$ 5,000.00	Financial support for speaker and venue costs.
Leadership Lackawanna	\$ 25,000.00	tuition assistance for the inaugural members of the Leadership U class and to create a permanent Leadership U scholarship endowment fund.
Nativity Miguel School of Scranton	\$ 17,000.00	Hiring a part time teacher, upgrading equipment and furniture, purchasing art supplies and transportation and entrance fees for field trips.
The Nature Conservancy	\$ 40,000.00	This grant is to be used for engineering and restoration design work for the dam removal and restoration, and community engagement during the design process.
Scranton Area Foundation	\$ 10,000.00	Special Grant (COVID-19 Fund)
Scranton Lackawanna Human Development Agency	\$ 40,000.00	To develop a city-wide early learning center for qualifying/low income pre-school children who were displaced by the Scr School District's closure of pre-school and respond to social distancing guidelines presented by COVID.
Scranton Shakespeare Festival	\$ 10,000.00	Funding from the Willary Foundation will support artist wages and production costs such as set construction, costumes, and sound equipment.
United Neighborhood Centers of Northeastern Pennsylvania	\$ 25,000.00	UNC is requesting implementation funds to transform the Pine Brook section of Scranton into a recognizable destination neighborhood that offers residents and business owners a bright future through increased opportunity, economic stability, and community engagement.
United Way of Wyoming Valley	\$ 15,000.00	To provide vision care services to uninsured and under-insured children and funding for lost or broken glasses.
Waverly Community House, Inc.	\$ 15,000.00	This grant will be used for the installation of HEPA air filtration systems and UV-C lighting in the Comm Kids After School Program, Comm Kids Preschool, and Comm Kids Sensory Center.
Waverly Community House, Inc.	\$ 6,000.00	Special Grant
Wilkes University Institute for Public Policy & Economic Development	\$ 10,000.00	Supporting the program elements - Institute Review, Issues Briefing Book and Legislative Retreat.
Women's Resource Center	\$ 25,000.00	Grant funds will be used to provide support, advocacy, and resources to meet the immediate needs of survivors of domestic and sexual violence

Organization	Grant Award	Grant Purpose
Wyoming Valley Children's Association	\$ 12,500.00	This grant will be used for the purchase of paint supplies, new dividing walls, and innovative gross motor therapy equipment.
TOTALS	\$486,585.00	

Organization	Grant Award	Grant Purpose
Back Mountain Memorial Library	\$ 25,000.00	The Back Mountain Memorial Library is working to preserve in digital form, The Dallas Post weekly newspaper (years 1929-2014) and provide access to the volumes. Currently the only existing copies are bound paper copies housed in the library.
Broadway Theatre League of Scranton	\$ 25,000.00	Arts for Life© is a program supported by the Lackawanna County Area Agency on Aging, the Pennsylvania Council on the Arts, aieNEPA, the arts education program of the Northeastern Educational Intermediate Unit, The Jewish Home of Eastern Pennsylvania, Broadway Theatre of Northeastern Pennsylvania, The Scranton Area Foundation and The Everhart Museum that will engage older adults, in working with professional artists. Another aspect of the Arts for Life© is that participants will have the opportunity to attend Broadway Theatre
CASA of Luzerne County	\$ 25,000.00	There are two aspects to this project for general operating expenses. One, assist with the recruitment and training of new volunteer advocates. Two, assist with the support and retention of those newly trained advocates as well as our current active advocates. We provide 35 hours of pre-service training to prospective advocates and 12 hours of in-service training each year to current active advocates.
Children's Advocacy Center of Northeast Pennsylvania	\$ 25,000.00	The Children's Advocacy Center of Northeastern Pennsylvania (CAC/NEPA) respectfully seeks funding from the Willary Foundation in support of our child abuse education program, which trains thousands of adults, children, professionals, and leaders each year. This unique program enhances the quality of life for residents of Northeastern Pennsylvania, and it has a ripple effect, increasing the rate of informed referrals of suspected child abuse to our healing services, while also seeking to decrease the rate at which abuse occurs.
Diocese of Scranton Catholic School System	\$ 22,500.00	The diocese is seeking a funding partner to become the third arm of a shared-cost model, in which the diocese, the donor and the student's family each pay one third of a student's annual \$7,500 tuition, or \$2,500, with the unifying goal of keeping NativityMiguel graduates economically, academically and socially empowered and therefore well positioned for college and employment success.
Geisinger Health Foundation	\$ 50,000.00	Geiseinger's Fresh Food Farmacy® (FFF) is an innovative, sustainable program using food-as-medicine to address the health challenges of low income patients with diabetes and food insecurity. This program has had tremendous local impact for our patients, while also is recognized for its national implications that could funamentally change the way we treat this disease.
Greater Carbondale YMCA	\$ 50,000.00	There are a few outdoor recreational opportunities in the city of Carbondale. Phase II of the Community Park will add much needed activities and amenities to continue to transform the quality of life in this low income neighborhood.
Greater Scranton YMCA	\$ 5,000.00	Over the past several years, the Greater Scranton YMCA (GSY) has taken steps to enhance program offerings and playground spaces to ensure those we serve with mental and/or physical disabilities are provided the same opportunites as their peers. In continuing this work, the GSY is applying to the Willary Foundation for funding to support We are Y, a program serving individuals from childhood through adulthood with carying physical and/or mental disabilities.
Heritage Valley Partners	\$ 10,000.00	A community pavilion and outdoor classroom located adjacent to the Lackawanna River Heritage Trail and Nay Aug Avenue Natural Play area to serve programming needs in the area of local history, environmental education, health and wellness programming, and cultural presentations and festivals
Wilkes University Institute for Public Policy & Economic Development	\$ 10,000.00	In 2018, the Institute began to implement the Grantmaker Initiative. This project consists of public policy and education/information sharing on issues and solutions. The Institute wants to augment delivery under this initiative. It is currently funded by the Moses Taylor Foundation and Scranton Area Community Foundation.

Organization	Grant Award	Grant Purpose
Jewish Federation of Northeast Pennsylvania	\$ 10,550.00	The major event of the Holocaust Education Resource Center is the Annual Teen Symposium on the Holocaust, addressing over 1,800 students, teachers, and adult guests from both public and parochial schools in 30 school districts running over two days. Participants interact with survivors and dliberators, making an indelible mark and life long impact on each other. Elie Wiesel, in his preface to the novel Night, writes: "For the survivor who chooses to t4estify, it is clear; his duty is to bear witness for the dead and for the living. He has no right to deprive future generations of a past that belongs to our collective memory. To forget would be not only dangerous but offensive; to forget the dead would be akin to killing them a second time. It is our plight to preserve memory and continue to awaken the conscience of the young.
King's College	\$ 8,000.00	The King's College Department of Theatre will produce sensory-friendly productions each year, which will consist of 4 to 6 performances, in order for those with autism or other sensory sensitivity disorders to have the opportunity to attend theater performances. In order to provide the proper atmosphere, updated lighting is necessary for the successful implementation of these sensory-friendly productions; therefore, King's College is requesting \$8,000 in grant funding from the Willary Foundation to purchase 10 Portable ETC Coloursource Par Lights.
Lackawanna River Conservation Association	\$ 25,000.00	The LRCA completed a "Lower Lackawanna River - Watershed Restoration & Assessment Plan" (LLR-WRAP) in 2012. This plan assessed abandoned mine land and mine drainage pollution, as well as proposed solutions with support from the Willary Foundation and Susquehanna River Basin Commission, among others. This proposal supports Phase 2 of that work to attain Qualified Hydrologic Unit Plan (QHUP) status for the Lower Lackawanna mine sites, allowing the use of federal mine reclamation funds for our proposed remediation plan.
Luzerne County Historical Society	\$ 10,000.00	The Luzerne County Historical Society is seeking \$10,000 to support developing and implementing an archaeology program for elementary-school-age children at the Society's Swetland Homestead, 885 Wyoming Avenue, Wyoming, PA this 90- to 120- minute hands-on program will introduce children to the methodology and study of archaeology, the history of the Swetland family and how we learn about our local history from archaeology.
Meals on Wheels Northeast Pennsylvania	\$ 50,000.00	The Agency's request for \$30,000 seeks new funds to achieve new levels of excellence and to assist and support or strategic, capital decisions for investments for Building and Equity.
The Nature Conservancy	\$ 25,000.00	The Nature Conservancy (TNC) would like to improve the main parking area/entrance at the Dick and Nancy Eales Preserve. This preserve sees a large volume of vehicles throughout the year and the parking lot area is showing the wear and tear from that usage.
Ronald McDonald House of Scranton, Inc.	\$ 30,000.00	With many years of wear and tear on our property and the many advances in energy efficiency, environmental friendliness, technology, and soundproofing since then, our house campus needs to be rennovated. By renovating, refurbishing, and repairing our facility, we will ensure that the Ronald McDonald House continues to be a haven for sick children and their families while providing the highest standard of hospitality and not impacting our planet's future.
Scranton Civic Ballet Company	\$ 1,000.00	This year Scranton Civic Ballet Company will offer our 33rd performance of The Nutcracker on December 14th and 15th at the Scranton Cultural Center. We have three performances which include one for school aged students and two for the general public. Scranton Civic Ballet Company would like to provide our school performance of the Nutcracker free of charge to local area students.
Scranton Cultural Center at Masonic Temple	\$ 25,000.00	The Scranton Cultural Centers Youth performing arts program has been very successfully since 2014. We have developed this additional curriculum that exposes youth to career opportunities in the performing arts. We believe this program is worthy of continuing and refining.

Organization	Grant Award	Grant Purpose
Scranton Shakespeare Festival	\$ 4,000.00	The Scranton Shakespeare Festival (SSF) respectfully requests a renewed grant of \$4,000 to support its 2019 summer season which will include: Shakespeare's "Richard III" and "Troilus and Cressida"; a special production of Andrew Lloyd Webber and Tim Rice's "Joseph and the Amazing Technicolor Dreamcoat" geared towards family audiences; a site-specific production of Kander and Ebb's "Cabaret"; and the world premiere of "The Behavior of Light" by Tony-nominee Douglas Carter Beane, set in Reading, PA in the 1970s. All performances will be completely free and open to the public.
United Neighborhood Centers of Northeastern Pennsylvania	\$ 25,000.00	The Immigrant Leadership Education and Development Program has been designed to assist Scranton-area immigrants in exercising their leadership potential by participating in guest-speaker led workshops on topics such as goal setting, entrepreneurship, education, wellness and civic involvement. Participants will become a source of knowledge for other underrepresented groups in their community and gain experience collaborating with community members they may otherwise not normally interact with, such as the city's Chief of Police, civic leaders, and educational and entrepreneurial facilitators in the community.
United Way of Wyoming Valley	\$ 17,000.00	United Way of Wyoming Valley requests your financial support of an innovative initiative called Loads of Love. The project helps reduce school absenteeism by ensuring students from economically disadvantaged families can attend classes in clean school attire.
Waverly Community House, Inc.	\$ 15,000.00	The Waverly Community House, Inc. respectfully requests support from the Willary Foundation to continue the final renovation phase for the Comm Kids Interactive Learning Center with Sensory Technology. This phase will result in project completion and full scale public access scheduled for May, 2019.
Wright Center for Community, The	\$ 25,000.00	The Wright Center for Community Health (TWCCH) is requesting \$25,000 from the Willary Foundation for equipment and supplies to fit out the lab within the 501 S Washington Avenue Clinic, and a triage area for children, adults, and individuals with special needs. General equipment requirements include: pediatric and adult thermometers, large capacity scales (including biometric impedance analysis and wheelchair scale), stainless steel equipment, diagnostic equipment (centrifuge, urine/chemistry/glucose analyzers, microscope, specimen refrigerator/freezer etc.), protective equipment (gloves, eyewear, facemasks), procedure tables and more.
Wyoming Valley Catholic Youth Center	\$ 25,000.00	The Wyoming Valley Catholic Youth Center, in partnership with Luzerne County Mental Health & Developmental Services and its System of Care, has taken on an innovative new Respite Care Program that offers a much-needed break to caregivers for children ages 5-13 who are actively receiving mental-health services. This program offers sanctuary for the children and solace for the caregivers, who need time to rest, restore energy and look after their own well-being.
TOTALS	\$543,050.00	

Organization	Grant Award	Grant Purpose
Abington Area Joint Recreation Board	\$ 25,000.00	The handicapped-accessible walking trail around Eston Wilson Lake at Hillside Park in Abington Township is threatened by about 250 dead and dying ash trees ravaged by the Emerald Ash Borer, a destructive and invasive tree insect, that have begun to fall and damage the boardwalk section of the trail, blocking access and causing a direct threat to park users. This project is essential to maintain safe public access to a popular recreational asset currently threatened by a grove of dead and dying ash trees.
Employment Opportunity and Training Center of Northeast Pennsylvania	\$ 75,000.00	To meet the needs of the increasing number of families with mental and/or behavioral health issues, including families who have children with autism, and parents who have opioid or substance abuse disorders, Outreach plans to hire a master's level mental/behavioral health specialist. This specialist/case manager would work with families in crisis to ensure family safety and well-being as well as train Outreach staff to respond appropriately to crisis situations.
Great Valley Technology Alliance	\$ 25,000.00	tecBRIDGE is requesting Willary Foundation support to launch the next generation of regional collaboration on biomedical research and economic development activities. A key piece of our efforts will be to enhance the current tecBRIDGE Regional Resource Portal (Database) to expand critical information capture requirements and enhance key user experience deficiencies in support of the bioscience learning, degree and research activities taking place at our regional IHEs. Building on this initiative, we will use the Life Science NEPA data enhancement effort as a starting point towards creating a "NEPA University" profile representing all of the regional assets associated with our local colleges and universities.
Greater Wilkes-Barre Growth Partnership	\$ 25,000.00	This request for \$25,000/1 year in funding will enable the Wilkes-Barre Connect Pitch program to continue the momentum of last year's launch and continue covering the \$10,000 in event costs, and allow Wilkes-Barre Connect to grow and expand its programs and services to local businesses, including the Pitch education and training program, for which \$15,000 of this request will be contributed.
Jewish Family Service of Northeastern Pennsylvania	\$ 25,000.00	This request for \$25,000/1 year in funding will enable the Wilkes-Barre Connect Pitch program to continue the momentum of last year's launch and continue covering the \$10,000 in event costs, and allow Wilkes-Barre Connect to grow and expand its programs and services to local businesses, including the Pitch education and training program, for which \$15,000 of this request will be contributed. Requesting funding to serve individuals who present with mental health issues and are in need of professional counseling services. Services provide goal-directed interventions for diagnosable conditions to make gains in symptom reduction, improve self-management and restore or enhance daily functioning.
F.M. Kirby Center for the Performing Arts	\$ 25,000.00	The antiquated infrastructure of the F.M. Kirby Center is becoming a detriment. This proposal seeks funding to rectify two of the major issues: sewage backups and lacking sound quality.
Lackawanna County Library	\$ 5,000.00	The 2018 American Masters Lecture will feature Colson Whitehead, author of <i>The Underground Railroad</i> , a novel that won both the Pulitzer Prize and the National Book Award in 2017. The free lecture will be held on November 15, and all in attendance will have an opportunity to meet and ask questions of the speaker. The William W. Scranton Laureate will also be named at this event.
Lackawanna Historical Society	\$ 25,000.00	Using Professor Glynis M. John's preliminary research as a foundation, she in partnership with the Lackawanna Historical Society (LHS), propose to develop a special collection African Americans who have been residents of and contributors to Scranton, PA for more than 150 years. The African American Archival Project of Scranton, PA will be stored and maintained at LHS as well as shared and linked with Albright Memorial Library for its inclusion in the Lackawanna Valley Digital Archives to further promote its usage and encourage additions to the documents.
Marywood University	\$100,000.00	Special Grant to be directed to the President's Discretionary Fund

Organization	Grant Award	Grant Purpose
Nativity Miguel School of Scranton	\$ 15,000.00	Requesting support to fund a comprehensive visual arts program which will provide impoverished students access to high quality art instruction; opportunities to showcase their work; and an ability to give back to others who may not have access to this educational medium. The program will also establish a Nativity Miguel School Art Gallery, which will become a focal point for not only our students, but also for various forms of community engagement.
Scranton Shakespeare Festival	\$ 4,000.00	The Scranton Shakespeare Festival respectfully requests a grant of \$4,000 to support its 2018 summer season which will include Shakespeare's "As You Like It"; the musicals "Footloose" and "How to Succeed in Business Without Really Trying"; a reimagined version of "The Tempest" featuring only four actors; a new play entitled "Sycorax", an original prequel to "The Tempest"; and an adaptation of "Hansel and Gretel" created and performed by local high school students. All performances will be completely free and open to the public, and will be staged at various venues in Scranton.
University of Scranton	\$ 17,500.00	The Business High School Scholars Program is a new initiative started by Dr. Doug Boyle & some business faculty colleagues to attract promising local high school students to the University & assist them in reducing their potential student loan debt by offering classes for real college credit at greatly reduced tuition costs. Participants for the program will be recruited from all local high schools in Northeastern Pennsylvania. By providing scholarships to students who want to participate in the program, they are encouraged to continue their education and then use the business skills and education that they have acquired to enrich their own Northeastern Pennsylvania communities. The first cohort of nineteen Business High School Scholars successfully completed their first course in July. This grant request is to provide partial scholarships to high school students so that finances will not be a barrier to their participation in the program.
Treatment Court Advocacy Center	\$ 25,000.00	The Treatment Court Advocacy Center (TCAC) is seeking funds to purchase a building to provide transitional housing for women and women with children. Many times women do not have safe or even any housing options, we would like to resolve this dilemma.
United Neighborhood Centers of Northeastern Pennsylvania	\$ 25,000.00	The Immigrant Leadership Education and Development program has been designed to assist Scranton-area immigrants exercise their leadership potential by participating in workshops presented by guest speakers including the chief of police, nonprofit and civic groups and taking on various leadership roles in the community. Participants will become a source of knowledge for other underrepresented groups in their community and gain experience collaborating with community members they may otherwise not normally interact with.
Volunteers of American of Pennsylvania, Inc.	\$ 25,000.00	General operating support.
Women's Resource Center	\$ 25,000.00	General operating support.
Greater Carbondale YMCA	\$ 30,000.00	There are limited recreational opportunities within the city of Carbondale. The proposed community park of 2+ acres in the heart of the city would be transformative to the quality of life.
TOTALS	\$496,500.00	

Organization	Grant Award	Grant Purpose
Discovery Multiple Intelligences Preschool	\$ 5,610.00	We are expanding our school to accommodate more children and provide kindergarten.
Downtown Hazleton Alliance	\$ 25,000.00	This grant will fund the interior fit out of the 450 square foot Digital Arts Classroom within the new City Arts Center in downtown Hazleton, which will be used by the Hazleton Art League, Luzerne County Community College, and Power City Arts.
Eckley Miners' Village Associates	\$ 25,000.00	Eckley would like to convert the interior of an underutilized miner' house to create multi-purpose space to extend our outreach, broadened our programming, and continue to provide excellent educational services to surroundings families, and schools. The functions of the reovated house could include; a touchable exhibit, local flora/fauna that can be seen at Eckley, a classroom space, and genral expansion of the sites educational programming with the aid of technological advacements.
Geisinger Health Foundation	\$ 25,000.00	Creative Arts at Geisinger Community Medical Center Intensive Care Unit Throughout 2018, certified art thearpists and local musicians will join together to create a healing art and music therapy program for the patients and families utilizing the intensive care unity at Geisinger Community Medical Center, in partnership with the Lackawanna County Arts and Culture Department.
Greater Wilkes-Barre Association for the Blind	\$ 10,000.00	Over the past few years the Grtr W-B Assn for the Blind has grown is InSight Kids Club & Transition Assistance program to be year-round programs for children who are blind and visually impaired in NE PA. For the 2017-2018 school year, the Assn plans to continue its efforts for the Transition Assistance program by broadening & increasing its participation & attendance, curriculum & advocacy efforts, & individual student results.
Greater Wilkes-Barre Growth Partnership	\$ 25,000.00	\$25,000/1 year funding will enable the W-B Connect Pitch program to launch successfully, covering the \$10,000 in event costs, and allow W-B Connect to grow and expand its programs and services to local businesses, including the implementation fo the Pitchk 3-month education and training program, for which \$15,000 of this request will be contributed.
Heritage Valley Partners	\$ 10,000.00	Community Pavilion @ Olive Street Trailhead to serve as organization central for over 15,000 runners/walkers of 40 races by nonprofits to raise funds and awareness as well as cultural and heritage programming site near the river. The pavilion will also serve as an outdoor classroom for environmental studies with Scranton High School, Steamtown National Historic Site and other institutions.
Wilkes University Institute for Public Policy & Economic Development	\$ 15,000.00	The Institute facilitates, convenes and provides research support for seven community volunteer issue based task forces. There is not a task force studying social service issues and these funds would allow for the formation of the task force and subsequent research.
Keystone Iron Works	\$ 25,000.00	In collaboration with the International Conference on Contemporary Cast Iron Art (ICCIA), Keystone Iron Works (KIW) seeks funding for tow interrelated community arts initiatives that will result in permanent public sculptures: (1) cast iron sculpture workshop series for at-risk High School students; and (2) professional artists' cast iron sculptural demonstrations during the ICCCIA Conference and community Arts on Fire Festival to be held at the Historic Scranton Iron Furnaces in June 2018. A selection of resulting sculptural pieces will be installed along Lackawanna Heritage Valley Authority (LHVA)'s public trails to highlight the area's rich industrial history and enhance the cultural landscape
Scranton Public Library	\$ 18,000.00	The Century Club of Scranton and the Scranton Public Library have partnered to digitize the Centry Club's collections.
United Neiborhood Centers of Northeastern Pennsylvania	\$ 25,000.00	Seeks to help new immigrants overcome language, cultural, and other barriers to obtaining employment or advancing careers by providing case management assistance and instruction related to employment "soft skills" job acquisition, and career development through the SCOLA Learning Center.

Organization	Grant Award	Grant Purpose
Waverly Community House, Inc.	\$ 25,000.00	To renovate accessible basement space in the South Wing of the building to house the new Children's Interactive and Inclusive Learning Center. This Center is building on a recent donation of children's museum exhibits and is an expansion of our current programming for children of all ages and abilities. It will also serve the dual purpose of a public service and charging station, to assist individuals and families during times of emergency, such as power outages.
Wilkes University	\$ 25,000.00	This grant will allow for the continuation of comprehensive business support services to nascent entrepreneurs within Northeastern PA, by Kirby Scholars (Wilkes-University students).
TOTALS	\$258,610.00	

Organization	Grant Award	Grant Purpose
Camp Koala	\$ 5,000.00	A renewal grant would allow us to continue our grief support camp for children, as well as operate grief support groups at Geisinger, distribute comfort boxes to newly bereaved students and offer Children's Grief Awareness activities.
Great Valley Technology Alliance DBA TecBridge	\$ 25,000.00	TecBridge is requesting Willary Foundation support to re-energize regional collaboration on biomedical research and related economic development activities. Specifically, TecBridge is proposing to lead a regional coalition to pick-up and move forward the Region Bioscience Initiative (RBI) and Biomedical Research Implementation Committee (BRIC) efforts that have slowed in recent years.
Women's Resource Center	\$ 25,000.00	To use funding from the Willary Foundation to address the economic and housing needs of domestic violence survivors through the WRC Economic Advocacy Program. Comprehensive support services will enable survivors to move past a myriad of economic barriers that women and their children must navigate after fleeing a violent relationship.
Employment Opportunity and Training Center of Northeast Pennsylvania	\$ 25,000.00	Focus on Fatherhood will provide cognitive-behavioral education and support for 75-100 low-income fathers preparing for release from Lackawanna County Prison. The project introduces the innovative Inside-Out Dad curriculum to help bridge separated fathers and their children and to promote healthy family relationships postrelease.
ARC of Luzerne County	\$ 25,000.00	TRACE- Transition to Community Employment- is a one year work readiness program developed by the Arc of Luzerne County and delivered through Luzerne County Community College for individuals with intellectual and developmental disabilities (I/DD) and autism. The program is comprised of one year of structured employment preparation that includes customized life and employability skills training, career exploration and mentoring, and a supervised experiential learning work apprenticeship related to aptitudes, career goals and skill development of the individual, and work/life balance programming in the community.
ARC of Northeastern Pennsylvania	\$ 20,000.00	To purchase a minivan for the Community Intergration expansion program
King's College	\$ 10,875.00	King's College/Ruth's Place Women's Shelter Employment Program - King's College is requesting \$10,875 as seed money to initiate an Employment Program in conjunction with Ruth's Place Women's Shelter. This program would entail King's College students assisting clients' efforts in performing job searches, completing employment applications, and preparing for interviews.
Lakeland School District	\$ 10,000.00	Lakeland Elementary School Scott Campus is requesting a grant to update an outdated limited circulation of library books. Reading enhancement programs have been established but the current library circulation is not adequate to support these programs.
St. Joseph's Center	\$ 25,000.00	Saint Joseph's Center is requesting grant funding to develop therapeutic and recreational outdoor spaces on the grounds of the Adult Day Program on Blakely St in Dunmore. At this location, 90 adults with intellectual and developmental disabilities who are medically fragile receive day services for the provision of personal care and active treatment for skill development, therapy and socialization.
Scranton Area Foundation	\$ 25,000.00	The Scranton Area Foundation, Inc. (SAF) requests \$25,000 in funding from the Spring 2016 grant cycle for its newest initiative, Women in Philanthropy (WIP), which is dedicated to empowering and transforming the lives of women and girls in Lackawanna County; if approved, funding from the Willary Foundation will apply toward fulfilling a conditional grant requirement from The Harry and Jeanette Weinberg Foundation and enable WIP to receive an additional grant distribution of \$150,000 in year two of the initiative. WIP seeks to foster systemic change through a multi-faceted approach targeting four core priority areas: 1. Entrepreneurship & Micro-Lending, 2. Matched Savings Groups with Financial Education, 3. STEAM Education, and 4. Health & Wellness (this grant request applies to priority areas 1, 2, and 3).

Organization	Grant Award	Grant Purpose
Scranton Neighborhood Housing	\$ 10,000.00	The Light The Town project is designed to expand NeighborWorks Northeastern Pennsylvania's already established signature Paint The Town and NeighborWorks Week projects, which are part of the Home Matters Repair Initiative. Light The Town is a program through which Scranton residents who live in vulnerable neighborhoods can have a free solar-powered, motion-detecting exterior light placed on their home.
The Gathering Place	\$ 25,000.00	Community Classroom is raising funds to renovate and transform the former Clarks Summit firehouse into The Gathering Place for Community, Arts and Education. This new venue will be an arts and education center for the community, a permanent home for the Abing Area Community Classroom, and a satellite studio for The Deutsch Institute.
Wilkes University Institute for Public Policy & Economic Development	\$ 2,500.00	The completion of an assessment on regional financial literacy and the impact on families and the regional economy.
TOTALS	\$233,375.00	

Organization	Grant Award	Grant Purpose
Center for Anti-Slavery Studies	\$ 21,150.00	Special grant.
Employment Opportunity and Training Center of Northeast Pennsylvania	\$ 30,000.00	To fund innovative services for 150 vulnerable women preparing for release from Lackawanna County Prison. EOTC's multi-component Women-in-Transition initiative will improve outcomes for targeted women by providing prerelease assessment and planning, gender-informed education, mentoring and case management.
Keystone College	\$ 30,000.00	The Keystone College Miller Library is the academic center and focal point of Keystone's campus; it functions as a campus and community library, a study and social center, an art gallery and an instructional/classroom area. Funds are being sought to install new windows in the Miller Library. The existing windows are the original windows. These windows are inefficient, and a coating that was on the windows has discolored. The current condition of the windows is unappealing and causes the library to appear dark.
The Nature Conservancy	\$ 25,000.00	The Nature Conservancy would like to install a low-maintenance, solar powered composting toilet facility at our nature preserve on Moosic Mountain, the Dick and Nancy Eales Preserve. This will improve visitors' experience of this popular preserve and help protect its natural resources by minimizing human impact.
Northeast Regional Cancer Institute	\$ 25,000.00	The Cancer Institute Community Based Cancer Screening Navigation Program is a cancer screening initiative focused on barrier reduction and facilitation of cancer screening among low income residents of northeast Pennsylvania. The chosen target screenings - breast, cervical and colon are widely recommended, successful in detecting and preventing cancer, offer statistically reliable cost effectiveness yet remain under utilized.
Penn State-Worthington Scranton Campus	\$ 5,000.00	The Student Hardship Fund at Penn State Worthington Scranton supports undergraduates who need a helping hand when experiencing extraordinary and sometimes unexpected hardships that affect their ability to cover the costs of their education. Things like a family member's or student's own job loss, illness, death, loss of home to fire, etc. may be too much to overcome financially and hinder the student's ability to continue his or her education without assistance.
The Wright Center	\$ 10,000.00	The Wright Center plans to establish a Primary Care Clinic at Skyview Park Apartments in Scranton that will provide a full range of services including mental and behavioral health and dental care to individuals who are uninsured, underinsured, and low income with a particular focus on the growing Bhutanese refugee, Asian, and Hispanic communities in Scranton. Funds are requested to implement the Portable Remote Network that will connect the Skyview Primary Care Clinic and its patients to an electronic medical record to facilitate better care, care coordination and link to services in the community.
Camp Koala	\$ 5,000.00	Camp Koala hosts grief support camps for children ages 7-12, and for teens who have experienced the death of a parent, primary caregiver or sibling. In 2015 we will open four new camps, in the Wilkes-Barre and Scranton area for grieving children.
Heritage Valley Partners	\$ 20,000.00	Development of a trailhead community park and natural play area that is ADA accessible for nature play, cultural performances and environmental education programming. The site is located along the Lackawanna River Heritage Trail that travels throughout 70+ miles and 30 municipalities and is open to the public, free of charge.
Lacawac Sanctuary	\$ 7,500.00	The future well-being of our local watersheds will soon rest in the hands of its youngest citizens. Establishing strong, targeted environmental education programs now provides a vital foundation for these future watershed stewards. Lacawac's Watershed Education and Awareness Program operates in local schools and afterschool programs in Luzerne and Lackawanna Counties to teach natural resource sciences, ecosystem management, and watershed stewardship to 3rd, 4th and 5th graders.

Organization	Grant Award	Grant Purpose
Penn's Northeast INC	\$ 25,000.00	Penn's Northeast, a four-county regional economic development organization in NEPA is requesting funding to aid in our latest four-year marketing and recruitment initiative. Our organization's sole purpose is to market the region and recruit business operation to Lackawanna, Luzerne, Monroe and Wayne counties, and we're looking to achieve that purpose by directly engaging with over 8,000 companies throughout the United States and Europe we've identified within our target industries.
Scranton Tomorrow	\$ 30,000.00	Scranton Tomorrow is leading the collaboration of the non-profit organizations, historical and heritage based organizations, tourism, arts and cultural sector, neighborhood associations, governmental bodies, private businesses and the community at large for the planning of the City of Scranton's Sesquicentennial Celebration, marking 150 years. The goal of this year's celebration is to educate, recreate and celebrate our region's rich history through various mediums. Throughout the year we will showcase our history through artifacts, artwork, craftsmanship, food, photography, dance, song and written word. The funds we have requested will help support the celebration throughout the year.
TOTALS	\$233,650.00	

Organization	Grant Award	Grant Purpose
Countryside Conservancy	\$ 25,000.00	The goal of this grant is to secure funds necessary to pay for the Abington Little League Trail connector as part of a safe road crossing at Ackerly Road in Phase 1 of the Trolley Trail (Clarks Summit to Dalton - 2.8 miles).
Fractured Atlas for REV Theatre Company	\$ 15,000.00	REV Theatre Company will partner with the Scranton Cultural Center and use the requested funds to present Living Shakespeare . This program will offer free to low cost performances of a professional production Hamlet to students in Scranton/Lackawanna and potentially Luzerne Counties, along with public performances, in February 2015.
Greater Wilkes Barre Association for the Blind	\$ 10,000.00	The Transition Assistance Program will provide blind and visually impaired high school students with skills and knowledge they need to successfully transition from high school to college, trade school or employment. The goal is to help students identify and gain more information on careers of interest, and the steps they need to take to make the successful transition to life beyond high school.
Institute for Public Policy & Economic Development	\$ 12,000.00	Would like to use funds to produce a quarterly economic publication which includes economic and business data in order to assist organizations and businesses in understanding the local economy, trends, changes and how certain indicators impact the economic and social well being of businesses and individuals.
Misericordia University	\$ 32,950.00	Funds will be used for a week-long Diversity Camp which will analyze the impact of their leadership in their schools and community as well as increase awareness of community organizations and institutions that assist the community.
PAISBC	\$ 10,000.00	Grant proceeds would be used for a free, one on one, educational, instructional, and motivational intervention utilizing physical activity to address and improve physical capability and wellness among other quality of life issues related to cancer and side effects of its treatment
Scranton Cultural Center at Masonic Temple	\$ 50,000.00	The Scranton Cultural Center is seeking funding for the installation of the HVAC system on the fourth floor, which would enable the expansion of the facility use during the spring, summer, and fall months. The HVAC system will allow SCC to transform empty space into additional facilities to be utilized for revenue, additional jobs, and innovative programs provided at low or no cost to families. Furthermore the SCC will provide local community groups with event space.
Scranton Shakespeare Festival	\$ 4,000.00	The Scranton Shakespeare Festival plans to use the requested funds to support their Summer 2014 productions of Shakespeare's Twelfth Night and Gilbert and Sullivan's The Pirates of Penzance . All performances will be completely free and open to the public.
The University of Scranton Leahy Community Health & Family Center	\$ 25,000.00	The Leahy Clinic serves a limited but significant role in the community's health "safety net" by offering "nonemergent health care" to uninsured people who would otherwise forgo health care because of cost, or seek care inappropriately in hospital emergency rooms.
Women's Resource Center	\$ 25,000.00	The Women's Resource Center proposes to use funding from the Willary Foundation to address the economic and housing needs of domestic violence survivors through the WRC economic Advocacy Program. Comprehensive support services will enable survivors to move past the myriad of economic barriers that women and their children must navigate after fleeing a violent relationship.
TOTALS	\$208,950.00	

Organization	Grant Award	Grant Purpose
Bread Basket Food Bank	\$ 5,000.00	Special grant to the Bread Basket Food Bank in honor of William Warren Scranton.
Children's Advocacy Center of Northeast Pennsylvania	\$ 8,706.00	This project will create a Teen Advocacy Center that provides a Teen Library to allow a safe space for Northeastern Pennsylvania's victims of physical and sexual abuse and/or neglect.
Cori's Place	\$ 10,000.00	Funds will be used to purchase a wheelchair van due to the increase in the number of clients and their multifarious physical disabilities. A van will allow clients access to the community for both recreational and volunteer activities.
Employment Opportunity and Training Center of Northeast Pennsylvania	\$ 25,000.00	EOTC seeks funding to help reduce waiting lists for its Blueprint-Against-Violence Incredible Years (IY) parenting skills program. During the project, 60-75 parents at risk for child abuse/neglect will receive research-based classroom training, individual coaching and links to crucial resources.
Fractured Atlas for REV Theatre Company	\$ 3,500.00	REV Theatre Company will partner with the Mayor's Office, Scranton and the Department of Parks & Recreation to present free outdoor performances of a professional production of Comedy of Horrors in Nay Aug Park in June 2013. They will also partner with United Neighborhood Centers to offer eight drama workshops for at-risk children and youth who are enrolled in the UNC Summer Camps.
Scranton Public Library	\$ 16,000.00	The Library proposes to digitize over thirty rare books commemorating the Centennials of Lackawanna County communities and make them available via the Lackawanna Valley Digital Archives. These books, published in the mid to late 20th century, record the history of the town or township and contain important historical information not found elsewhere.
United Neighborhood Centers of Northeast Pennsylvania	\$ 24,456.00	The Path to Citizenship Program will provide literacy education and tools of empowerment for non-English speaking adults that will increase their chances for employment and successful integration into American society.
United Neighborhood Centers of Northeast Pennsylvania	\$ 5,000.00	A special grant to the Food Bank of United Neighborhood Center in honor of William Warren Scranton.
